

The kids may be gone--- but we're having lots of fun at the
T.K. Martin Center this *summer!* Don't miss out on the
“**Assistive Technology Overview Workshop**”

Presented by Janie Cirlot-New, SLP-CCC and Jill Ethridge, OTR/L

- Who should attend?
 - Special Education Directors, Administrators, Regular Education Teachers, School AT professionals, Special Education Teachers, Therapists (OT,PT, SLPs), and Parents
- What information will be covered?
 - Technology for Low Vision and Blindness, Physical Access, Learning Disabilities, and Augmentative Communication

**This workshop will be upbeat and fun!
Lots of information pertaining to many
different areas of AT will be shared.
Participants will have lots of hands on!**
