Welcome Back to School!

It’s a new school year and you have probably noticed some changes. Christan Toney is our new classroom teacher. She is a familiar to many of you and we are excited to have her teaching everyday.

Please Read Your Handbook

We update the handbook each year so be sure to read it and familiarize yourself with our policies. The handbook has everything from general information to health guidelines. If you have any questions please ask us. Please don’t forget to hand in your updated emergency information, mileage form and releases. Keep these updated throughout the year.

Our New Teacher
Miss Christian

My name is Christan Toney, and I am the new classroom instructor for Project IMPACT. I am a Speech-Language Pathologist, and I have been with the TK Martin Center for 4 years. I have worked with Project IMPACT for 2 years doing speech therapy with the children. My husband, Jerry, and I have lived in Starkville for 10 years. We have a brand new addition to our home – a 4 month old daughter, Leala.

I am so excited to be working with Project IMPACT full time, and we have already gotten off to a wonderful start in my classroom. I can’t wait to get to know the children and families better throughout the school year.

Fundraiser Success

Last year we had great success with our pancake breakfast and it was fun too! We hope to do it again this year. We also have some new ideas for more fundraisers and we want your ideas too!

Special Dates to Remember:

Monday, September 4
Labor Day-No school

August Thematic Units

• Me, My Family & My Home
• Pets
• Five Senses

Happy Birthday!

Anna - August 11
Emma – August 11

Please do not park in the Handicapped spaces. These are reserved for TKMC clients.
Afternoon Class Drop off

This year a Project Impact staff member will meet the afternoon students in the lobby at 12:25 and bring them up to class, so please wait in the lobby with your child.

If you arrive early for the morning or afternoon we have put books and puzzles in the down stairs lobby for the children to look at.

The brown paper bags that your child brings home can be sent back to school and we will use them again!
